Gift & Packaging Solution

Gift & Packaging Solution

Use the patented 360 container to package gifts, promotional items, sell sheets, t-shirts, press releases, and more! Fully customizable, the 360 insert and top label can feature your logo, mission statement, or product name.

Sporting a rounded cylinder design, the 360 container is eye-catching and reusable. Customers find multiple uses for the 360 (storing items, etc.), thus showcasing your brand and keeping your corporate image in the minds of your potential customers.
